RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Commissioner for Patents
Washington, D.C. 20231

November 21, 2001

Sir:

In response to the Notice to File Corrected Application Papers dated October 4, 2001 (copy enclosed), enclosed is a set of substitute drawings in the above-referenced application. The Notice to File Corrected Application Papers indicated that substitute drawings were required because the originally filed drawings did not have appropriate margins and that the drawings must be reasonably free from erasures, alterations, overwritings, interlineations, folds, and copy marks. Filed herewith, therefore, are new Figures 1-47, which should be sufficient to place the application in compliance with United States patent practice. The Notice to File Corrected Application Papers having a two month response period, this response is timely filed.

In the event that there are any fees due with respect to this paper, please charge Deposit Account No. 01-2300.

Respectfully submitted,

Douglas H. Goldhush
